

Shutterbugs win photography battle

HE who is last shall be first

By John Smith

MEMBERS of the Shutterbugs Photographic Group from Alhaurin el Grande travelled to Nerja for the fifth annual 'battle' between the other Costa del Sol photographic Groups (the Costa Camera Club Nerja, Lake Vinuela Photographic Club, and Costa del Sol Photographic Society from Benalmadena), with plenty of hope but little expectations of taking the trophy.

The independent Judge, Brian Wall, did an excellent job critiquing the photographs and explaining the reasons for the awarded points. He had an extremely difficult task as the standard throughout was high, all very close with the lowest mark being 11 and the highest 18.

There were three photographs gaining 18 points, two of which belonged to the Shutterbugs Photographic Group and the other one belonging to the Lake Vinuela Photographic Club.
